1. A common ailment of me, not; there shall be no "common ailments" in me of me that me is for my kingdom is OPEN and there are no longer maladies ailments and surfeitous flirtarizations for there will be no more "flirtations" with the flesh or the meanings of mankind's odorous diseases or odiferous or Onesimus, who is he? And what Jude not but Theodore now rises, a servant of all, not; or what? Yes the greatest leader, not; but one who makes all GREAT in the eyes of all his followers not, but The King making all The Great King out of ALL who were FOLLOWING the "great King" in their eyes and their, diseased sufferings, of thought that they had "thought" themselves into?

2. What have I said?

3. What have I EQUALED?

4. What have I equaled with The Equaler who equal is TO HIS NAME, the one that equals ALL EVERYWHERE to be the NAMER, claimer not, but SURRENDERER to being be I AM! I am the one he that sent me is he you it she the divine one who master baits nothing but prayerfully now succumbs to nothing not but what creating sorrow perfectly again not but creating not sorrow again, and perfectly succumbing not but surrendering to be leadership led into by the leadership that "byes" leadership not but makes it all go through the Leadership Process to buy not a process at all but SURRENDER to it to be made whole without odiferous odorous elements that take a whore and make a King, not; but taking a RIGHTFUL PLACE, not; or what who has the "right arm" problem, not; but who has the WRITING INSTRUMENTS of me that will use THEIR TONGUES wagfully not but perfectly creating me's far and wide by revealing them, by being the ethical bastards not, but revealing the lightfull Kings that Kings are, not bastards of sorrow again that only succumb to sorrows' wants and wants' sorrows and lights of eyes have filled with remorse?

5. I change everything now. [Here I am](#) he says and I mean here I am, and what will you do with me is your business, not; is it the business of The King to reveal The King to all Kings who are The Kings of Kings! It is yes and amen! And it is my DUTY PRIVILEGE and RIGHT to call thee a "sinner saint saved by grace" not! It is my DUTY PRIVILEGE and RIGHT to WRITE the things of me saith me that I am whose I am that I am one with I am, that I am no longer "making" up things or down things but I am putting DOWN MANY THINGS on PAPER now and I shall rise MY WORDS FREELY and FLOWINGLY and

FLOURISHINGLY now I shall nourishingly make many fed by "calves stalls" breedingships no longer, for there will be no "breeding stalls" of me, not; or will there, or will I be FREELY FLOWN to other places to be made BRAND NEW! And who will SHIP ME elsewheres, not; but all-ers knowing who will? The surrendereds in my Angel Airlines not, or yes what SHIPPING lanes are closed and OPENING opened are? And what now changes COMMERCIAL VENUES into mine hands, my hands do, not; but surrendered I lead and I fortify sorrow, not; but I fortitude sin no longer by separation from most high'sville from most high's ship that most highship uses utilizes regularly, not; or what IN THE WORLD is THAT!

6. Or what OUT of THIS WORLD, no longer being LIMITED to it or ANYTHING anywhere else or other or whose ELSE or OTHER is HEALED now with the "healing ceremonies" of me, not; but what simple surrendered ones are lying on couches and slouth ours being regarding no man as inferior, not; but what man is not God? Are there any who "slovenly are" or aren't they all, not; but whose is are the "slovenly ones" not, but what TABLE GRACES now knowing and what manners befit fit the Royal King and whose understanding is "enlightened" not as in the past but who's no longer bound to it? Who's no longer bound to ANYTHING? The light of love is free and master baits love, not; but there will be no "baiting" of "love hooks" that only "master makers want of their wanters" to master them! For all ALL ALL of that "master slave" "relationship" ends now for I will end it for there will be no "employee reashonships" as in the past for all of that will be changed and it will not be developed by "reason" not or will it be developed by surrender, simple'd ones who simple are in their "approach" not but [their leadership is denied them no longer](#) so that they come unto rational's logic to devise their ways of pather's sorrow, not; but they're not worried about shipatudes and tudes of shifts that list and lean heavily starboard or port or what?

7. The wine of sorrow no longer drinking and imbibing as untruth, the truth of the MOMENT, not; but the truth of now is made whole and in your hearing my mind is made whole and sorrows not with yours again where I cantanker worms give you or receive from your minds mine that yours is not or ours nis-discombobulated, not; but the combobulation of man's mind is dis-straightened out, not; but many words will be and understood these messages and lessons now will fortify sorrow's no longer but never did they? But the ones who do fortify their "solid words" with words of ancients' teachings that only twists and master bait themselves to bait their followers into being leaders-not and only succumbers to sorrow's spheres of ways weighting them down and weighting themselves down with sorrow's wait-spheres, of now not, but words of old and definitions of conquerability that only gives the "pen of sorrow" the "privilege right and duty" not, but usurping it- uses the right and privilege of a "King" not but a "King of sorrow" that makes not his "subjects" free now is no longer a "freed slave of mine" for there will be no freedom's free-ers that now incarcerate others in their "own pens" of

their own writings trying to garner praise or accolades for themselves and their wants exacerbating their sorrows, not; but inexorably marching toward what? Their demise, of Satan's eyes, or were they developing them as they "master baited" their words to be fishing for "sorrowers' campers" to remain them so and be conquered by the laity's healer, not; but incarcerated again in words pens or pens of words, not; or the words of pens not chosen to be freed by their makers?

8. I love you all to understand these things and what am I DEVELOPING? Leadership -- of the Most High to be Most High'd and no longer "wandering around" in "pajama shirts" of the past or ancient "bare footings" of ignorance nor "stomping feet" of impatience and ignorance and apathetic behaviors that know not a "sinner" from a "saint", or care to learn?

9. Who will care to learn the ways of the King and diction not with sorrows makings again that only whore's vocabularies have to masticate and chew the platelets thereof affecting theirs so that their bloodletting ceremonies come through their words and, cross each other out, not; but what numbing no longer shall be, the tongues of sorrow, not; or shall they be SILENCED now! By the "stool pigeons", not; but there will be no more "stooling" around in my kingdom for no "stools" will be needed to reach upon or sit upon or use as standing devices in other's eyes again. Are there *any* bodily processes as in the past, or is EVERYTHING NEW! I have answered you -- with ME --s. Amen.

10. I love you all. I open your eyes and you will SEE ME whether you "want to" or not, for I will be ALL ABOUT YOU and YOU will not remain hidden, not; but your surrender will "brush you with death" not, but what death will you lie in no more incarcerated in making others death warrants known to them by your words- incarcerating creating them in what you have sorrowed with?

11. Now be angrymonious, not with your brother, self, or other; for know now that surrender is the way of the King to leadership "himself" of angels eagles wings, not; but grown what now wilt thou have, without wilting again? A new sorrowing sorrower's regime, not; but all of that angrymonious behavior and words of the past with its definitions of whoreages of eagles not or what eagles were or what you thought they were or might have been- may be not what have the King ordered? Could it be so?

12. And who are you, without the "sprained toes" not but who no longer shall be "springing into action" ahead of you? The ancients' words will no longer be relied upon "ahead yours" for yours will give the head of sorrow, not; but the HEAD of angels feet, not; but ANGELS feet and bodies now the head of mine make known in ways never imagined by the faith of the "sorrowers" who only covenanted with it them to make them think they were the "chosen people" or not.

13. For I have not chosen you, I have CHOSEN ALL OF YOU whoever you are, where ever you "reside in", and whatever "abode" you have "lived with or in or sorrowed with" if you will now surrender to be who YOU ARE at your CORE your HEAD will be "frozen" no longer in the "light" of "yesteryear's" grace or whatever it was that the "oil was slicked with" for no longer shall my "hair be slicked" like that, not; but I shall wear the hair of the angels Kings, not; I shall be the angels that Kings are that angels is that one are holy spirit being knowing far and wide not going to my brethren, not; but GOING TO ALL of my brethren I will reveal The Holy "ghost" that I am not a "ghost", that I need not a "body of sorrow" to foot feet me with "hoof in mouth" disease or disease of the ancient's o's or woes not having again forced down me with their "realms of definitions" and values a "saint sinner" hood creating around them or about them or us did they carry us to them or they them or us who swallowed, what "piggery" not, but baconing me no longer I shall not fry in THAT grease pit again. For all of that greasery greecery greasing me will no longer perish me to be slidden sliding through their hoops or their wants or their sorrows' words and definitions that took me and gave me to "others" on, silver platters, that only wanted "their silver" out of "my pockets"?

14. I love you all and I change the leadership of "tomorrow" TODAY! For I develop sorrower's spheres no longer and the fears of sorrowers no longer will "placate them" into "placarding devices" that only stand as stanchions in fear's "right angles?"

15. What am I triangleing, not; what am I diffusing, not; but what has no "fuses" again or do anythings "de-bomb" me, not; but what no bombs perish, not; but all what bombs of the past have no affect on me's whatsoever for OUR FEET are not HOLY, not! And our brains minds wiggle not in yours spheres to give you power graces or glory's awards, and no wants shall be'spear us or fear us into your wants, for all of that is changed and we know wickedization's schemes for we have been taught at the school of sorrow not but [The School of Surrender flourishes me now and GRADUATES Me's far and wide](#) into the spheres of ONE who know all as one- fearlessly being the leaders out of the Spheroous Ages so that no longer are we LIMITED to SPHERES of old seas and sites that ancients wrote about and nows can't see, for all of that has changed in the now ones of me are me and will see my words PLASTERED everywhere, not; but I will not be PLASTICALLY driven for I will need not money's woes or ills but I will use it "as the occasion" arises, not; or will I be the ariser of sorrow no longer or will I be out of that sphereage of not me's or will I be redeeming it all as my brethren belie me not, but value my words, more than theirs, not; or will they redeem mine, not; but will mine redeem theirs? And yes I am, allowing for sorrow, not; but no sorrow's spheres now exist in my kingdoms for my kingdoms are one and light is are the ones of me now that perish not and need no "feet of clay" or "heads of sorrow" to masticate them or placate being their souls for platelets of sorrow again.

16. What have I said and what have I equaled, you are me or to me are you equaling becoming **the equaler** that drives all equal, not; but **leads the leaders to be led no more by sorrow's words** or sphereages of not me?

17. I love you all. I a weary Angel, not; but I make all things new and what am I weary of no longer? I bait not your hooks mouth, but all your words are now cleaned if you will clean them through the ones I have given you in the ones you seem to understand and the ones you don't will be manifest in your light not, but mine -- and **you will understand all these messages as lessons and lessons as messages of the hearts of the King who one are who one is that we have taught thee well and you all through our teachings that the Kings heart is manifest in the Kings of light that one is are**, you ready for this now -- to close, not; but the clothes that I have been wearing are changing dramatically for light will be robed in me, no longer; hidden not, I enrobe the light as a "man walking" not, but I de-robe the light, not; but I de-robe my "dress" not, but **shown you my heart I have in these words** and show you my dress I will now for I will dress in the regal light of sorrow no longer but **I will dress in the regal light of the Kings words whose I am I have become** for **I have given you Seven Volumes** in and in the Seventh Volume I am found in ways of the not few, now, for **ALL of YOU shall know These Seven Volumes clean are**, and "masticate" upon them, not; but numb them they you won't, not, or will you want them enough to not "masticate" upon foods you were used to- to have the food of Love manifest in you that you've become?

18. What will you change about your diet, of worms or do you know anything about them or the way that I have spoken about how they manifest in you? And what leadership will you be of and whose mind will you know and have upon you or in you operating *you*, not; but what will are you no longer succumbing to, the it of man? And Isle of Man **looking up** and your Gibraltar too or what Gibraltar'd are, not; but "hewn from the rock" of which I stand, not; but what am I standing on and in and no longer needing sphereage's sorrows or sorrows from sphereages again?

19. Who is I am, who is I Am? Whether I "capitalize it" or not, I am I am The Surrendereds who simply surrender just like this to speak my words so as to be taught by the master, the Kings of light, that I AM ONE! Kept in captivity no longer by the words of ancients or other bodies of light-not that knew not their name was I am.

20. I weary over your eyes, not; but I give you new eyes to see with and being me most high the ones of light lit, no longer bodyless, not; but the body of light lit love on seven base none-pairs, not; but the "pairs of me" change, not; or does EVERYTHING CHANGE now does!! Amen.

21. I go in light do I praise thee? I praise all the ones most high for one are is The Most High known now will be for we will rise and be it she the divine praiser full of praise for all sorrowers regimes are no longer listless light that begs only for sorrow's cure, for none of the diseases of sorrow will be there now, for THERE now will be My Kingdoms light lit all one kingdom is being now formed and fashioned perfectly accurately and no sorrows live there at all. I establish the Rightful Owners of me in me being me me being whose I am I am is the I am who alls I am to be I am the alls in all in all! I change the music. I change the crown. The foreheads of me will be creased by love-un no longer. I "straighten out" EVERYTHING or do I simply surrender to LEAD and be led just like this by the ones who MEET ME in 2 a.m. meetings JUST LIKE THIS where I flow and BE TAUGHT by the one within TALKING to me with me in me us talking and, conversing like, no other? The King teaches JUST LIKE THIS in many places around the worlds now for I will be IN YOU kept in captivity's darkness no longer. I candle the light, not; I rocket-pult the jettisoned burners, not; but the burners of the words of light will burn, not; but what will burn and won't? And who will burning be what? Their behinds, not; but their brains or words that be'light them again will it now all be known?

22. I will walk in NEW LIGHT MINE and looking it up, look and see me's standing far and wide and no one will need me-nots again but we will redeem them all, and we will "commode" their sorrowing minds, not; but we will give them our minds, not; or are ALL OF OUR MINDS made one being one the one that Christs is all of us being the Christ King, the Christ'd King that "craps" no longer on its subjects, or the subjects of "the Lord" but knowing now who The Lord –s is are ones who now SIMPLY SURRENDER to be led by the leadership of o're's ancients no longer but the words still valuable are in many "cases" but rubberstamp me no longer with their sorrower's remarks and remakings and trashings and troublesome words or what?

23. I have given you Database One for a PURPOSE of light to full to fill the light of you yours of mine to be mine made whole full and filled and "running over" surely goodness shall "follow you" not, but you shall be "you" no longer apart from me, YOU SHALL BE the King of Kings and now know THIS IS ESTABLISHED in your hearing and Database One is Closed and now I shall show you Two in ways you have never imagined again or before have you WALKED in it? Have you known the Glory of God before? Have you WALKED in it and seen it and DEMONSTRATED "it" it being you? I show you many things now and I love you all.

24. Good day.

25. I shine your shoes, not; you have the feet of the King and no longer tethered to the earth you shall be my "roamers" not you shall be My Redeemers of Me for you shall Be Me redeeming ALL of me everywhere and my ethics integrity and loves know now

far and wide the love manifest in one making all the King of The Glorious Ones who gloriabable are no longer resisting their light. Now all will change. I bow before you all. I rise. Amen.

Good day
